

We support the NHS Zero Tolerance policy, and violent abusive behaviour towards any of the staff or doctors will not be tolerated, and may lead to a patient being removed from the practice list.

We are part of NHS Nottingham City. Their address is 1 Standard Court, Park Row, Nottingham NG51 6GN Tel 0115 8839200.

We ask for information about you so that you can receive the proper treatment and care. We keep it because we may need it when we see you again. **Everyone working in the NHS has a legal duty to keep your information confidential.**

We are a research teaching practice and anonymised data from the practice may be used in research. Patient confidentiality is maintained at all times. Medical students may sometimes sit-in with doctors, and take some consultations.

Complaints

We realise that occasionally things do not go as smoothly as we would like. If you have any problems, please discuss them with your doctor or the Practice Manager. We are here to help and aim to deal with your problems promptly. A copy of the Practice Complaints Procedure is available at reception and has details of the POhWer Tel 0300 0200 093 and the Patient Advice and Liaison Service (PALS) Tel 0115 859 9511.

The Practice Area

We are on Carlton Road, before the Hindu Temple as you head towards Carlton. We are situated by the puffin crossing. Bus route numbers 27, 25 and 24. There is a car park at the rear of the building.

If you live within this area we are happy to register you.

The surgery has disabled access and toilet facilities, disabled parking spaces and an induction loop system in the waiting area. If you require assistance, please do not hesitate to ask.

Prescriptions

Please allow 48 hours for your prescriptions

- Most common illnesses get better without drug treatment and the doctors and nurses will advise you on how to deal with them.
- If you have been given a repeat prescription, you will find the medication authorised for repeat listed on the tear off slip attached to your prescription.
- Please tick those which you require and put the slip in the box at reception. If required by post, please enclose an SAE. We regret that it is only possible to take telephone requests from the housebound.
- A number of local chemists offer a home delivery service, but you will need to speak to them directly.
- You also order online at www.familymedicalcentre.co.uk (Please contact reception to register for the online service.)
- Prescriptions can now be sent electronically, please discuss with your nominated pharmacy.

District Nurse Team - based at St Anns

If you need a language interpreter, please tell reception which language you require when you make your appointment.

We are able to use Languageline, a telephone service, if necessary.

Access to psychological therapies

You can now self refer yourself to psychotherapy. Cards with the contact details found in the waiting area or please ask at reception for a form .

Physiotherapy—self referral details are available on cards at reception

Please ask if you require a chaperone.

Why not get involved and join our **patient participation group**? Details at reception and on the website, or join the patient reference group by leaving your email address, or emailing the Practice Manager at elizabeth.pain@nhs.net and we will contact you for your views on future developments and to keep you in touch with future plans.

Registration

To register, you need to fill in a GMS1 form, available from the surgery or online from the website. You can express a preference for registration with a particular doctor. But all patients at the Family Medical Centre can see any of the doctors practicing there.

Appointments

To make an appointment please contact the surgery on **0115 950 4068** . The receptionist will ask you for a brief description of your problem which would help the doctor to decide who is the best person to see you and when. You will either be booked an appointment or put on the doctors "call back" list and they will call you and decide on the best way forward.

Emergencies

If you think there is a medical emergency, please let the receptionists know, and you will be put through to the doctor on call.

Cancellations

If you are unable to come to an appointment please cancel it as soon as possible, so that another patient can benefit. Missed appointments are the main reason why patients may have to wait to see a doctor.

In case of sudden collapse or severe chest pain, call 999

Home Visits

Please try to come to the surgery, if possible. If you do need a home visit please try to ring before 10.30 am. The receptionist will need to know a few details about the problem, so that the doctor can decide which visits, if any, need to be done first. If you require an urgent visit the reception staff will put you through to the doctor on call.

What to do if the Surgery is Closed

Please do not call between 6.30 pm and 8.00 am, unless you are in urgent need of medical advice or attention. If you do ring, you will be advised to ring 111 and they will triage the call. They may then divert you to the Nottingham Emergency Medical Service, who will deal with the problem.

NHS 111 A 24 hours per day service for non-emergency health problems. Fully trained advisors will assess your symptoms, give you health advice, or direct you to the local service that can help you best. Tel 111

The NHS Urgent Care Centre on London Road is open 7am-9pm Tel 8838500

NHS 8-8 Health Centre on Upper Parliament Street is open 7 days a week, 8.00 am-8.00 pm Tel 883 1960

The Family Medical Centre Team

We are a group of family doctors, practicing as a partnership, from our own purpose-built medical centre. We form part of a practice team, which includes:

Practice Manager: Elizabeth Pain

She will help you with any administrative or non-clinical aspect of your health or treatment. If you have any suggestions, or wish to make a complaint, they should be addressed to her.

Reception Team: Jan, Evi, Mary, Angela, Rosa, Azra, Claire, Faye, Donna and Nicola

The receptionists treat all information in the strictest of confidence. They are employed to help you, as well as the doctors. Please remember that their job isn't always easy.

Practice Nurses: Julie Marlow, Debbie Cooke, Vicky Hammond

Our practice nurses, who are all Practice Nurse Specialists, can advise you on a wide range of health problems. For example: General health checks; Coronary heart disease; Asthma; Diabetes; COPD; Blood pressure; Travel and contraceptive advice. All patients over 75 are offered an annual health check with a practice nurse. They also carry out blood tests, removal of stitches, dressing of wounds, vaccinations, immunisations, cervical smear tests, ECG's and Ear syringing .
